- Karen proposed the idea to send out a quick 10 question survey using Survey Monkey to gather information from members and prospective members about SBAP. Questions would include the types of events that people wanted to see, dates, time locations etc. Survey Monkey is free for a basic 10 question survey.

- The Survey went to a general membership vote it was moved by Monsanto, seconded by Cleary and the item passed 6-0-0.

Roundtable Discussion: What can Panhellenic do for you? Suggestions Included:

1. Sponsor Freshman Information Night featuring recruitment dates for all surrounding universities & introduce local parents to sorority life.
2. Arrange and pay for NPC team to visit university with focus on scholarship.
3. Bring back fashion show, for fundraising or just as a luncheon to promote sororities.
4. The fashion show could also be used as education with local counselors and scholarship recipients about Panhellenic in order to gain more exposure and applicants for the scholarship as previously discussed.
5. Scholarship incentive for good grade for CSUSB chapter, suggestion included paying one quarter of chapter dues etc.
6. Sponsor awards to recognize academic achievement by chapters and individuals.
7. Sponsor Greek Speaker
8. All the chapter advisors agreed that the focus should be scholarship incentives as the women are struggling to meet the all women's average.
9. It was also suggested the SBAP could help with the high school college fairs to introduce sorority life and establish relationships with the High School counselors and AVID program directors.
